We serve food inspired by local/seasonal produce from the farmers and markets of Marlborough, Devizes and surrounding areas.
The beef in our handmade burgers is a premium Aberdeen and Hereford cross, hand reared at Stokes Marsh Farm, Coulston and 'hung' for a minimum of 21 days. Our pigs are hand reared at Bishops Cannings. The meat is firm, pink with just the right amount of fat. Our chicken is free range and reared locally. Our sauces are homemade on the day to our own unique recipes to add a special finishing touch.

We make our own bread!
When you visit Kitchen Sisters we want you to have a unique experience, so the roll you're about to eat with your burger was baked fresh today on the premises to our own secret Kitchen Sisters recipe.
